Dear Pam

Thank you for your letter to me dated 16 November 2022. The same letter has been sent to all University Council members.

I note your respectful suggestion regarding the next steps for Council.

I can assure you that Council will continue to act in all matters concerning the University with care and diligence, in good faith and in the way it considers will best advance the interests of the University.

The Legislative Council Inquiry into *The University of Tasmanian Act 1992* is an opportunity for governance matters relating to the University to be thoroughly discussed and Council will be actively engaging in this process.

Yours sincerely

Ms Alison Watkins, AM
Chancellor
